The Symphonic Band performs at 10:30 a.m. Friday, January 27th. The busses will stop on the way down for dinner. Students and adults should bring their own money for dinner. The committee ordered three additional tux pants for the concert.

For the winter concert, girls will not be allowed to wear a necklace and will only be allowed to wear small earrings. They will not be allowed to wear flip flops of any kind.

The committee suggested that a each year students and their parents be asked to sign a contract when issued their marching uniform or concert uniform. Students and parents should be held responsible for damage that is caused to the uniform.
